Office of The Governor
Honorable First Lady
Jill Casey Desantis

Greetings First Lady J.C.

There isn't much time left. In regard to turning the election around. Through you there is the power to help The Governor and through a partnership, there is power to help many of your dreams materialize.

Forgive any grammatical errors. This is a last-minute hurry to get it done document.

My decision to finally speak,

1. Was based on a story I read about your historical relationship with breast cancer. Cancer in general one thing I hate with a passion. Even though I have not been directly attacked by cancerous poisonous living agents; so to speak; the US Army (via Afghanistan 2009-2010) did qualify me as being immune to anthrax. Another type of poisonous living agents.
2. I started researching cancer and how to control and force it back into remission. Breast cancer especially I despise. To that end, I created a device some years now. I call it the B.E. BRA. B.E. stands for Body Endpoints. I could give you a very simple test to show you how it works and at the same time, help you and others understand the metastatic of cancer; from infancy to its maturity. Yes such is true: For all matters that contain life. Even as bad as cancer and its destructions. If you find this subject matter interesting, I can say without a doubt, I agree. But what needs to be done, I cannot do alone. I haven't even patented my device.
3. I am writing today. In the midst of my rushes to make a better life for myself; I stumble upon a needs feed, that said "Gov DeSantis" believes he can win the Virgin Islands I think it said. I am here to also tell you and the Governor he is destined to be the 47th President. If you all will allow; I can assist him with knowledge and information that can turn things around.

4. I assisted Donald Trump btwn 2010 and 2016. At one, point news media was saying things like, how can Trump be so knowledgeable about things average people go through? Being wealthy he should have no such knowledge. Trump made it a point of keeping original information i gave to him; as his very own creation. So to speak. One such series of information was the origin of the covid 19 virus. I told him it originated in China and that it was being designed as a “biological weapon” but it got out of control.
5. I canvassed and worked the phone banks in S.C. during his 2016 run. However fate again intervene when I went to a Trump campaign event on 26 October 2016 in Kinston, N.C.

6. Trump thanked me in 2020; I have many docs to Trump. That is here. <https://carystudios.com/a-thank-you-note-from-potus-45/> Too little to late, as I call it. Oh I did write a book; I have more to write; It's on amazon at https://www.amazon.com/Last-Lost-Worlds-Cj-Cary/dp/1640279296/ref=sr_1_1?crid=3VORUMM385R4J&dib=eyJ2IjoiMSJ9.myB8gTT137VKvM3j1uouKfPGMvy_p73mQuLyHdZ7oMSwOWh4bCKJ_fwSck2OF7S9qdYnCRQV-5wLGjLj5MZ5HOAP6F8yfJGh-XGjBQPyg7g.vmFmWfy5nlkmQCAnfxtRqJRgfDA8oIN1tO7SkkhmkVY&dib_tag=se&keywords=cj+cary+last&qid=1705770752&srefix=cj+cary+last%2Caps%2C154&sr=8-1&ufe=app_do%3Aamzn1.fos.006c50ae-5d4c-4777-9bc0-4513d670b6bc Way too much script. If you go to Amazon, just type in my name; they have it listed as CJ Cary. My Book is Named Last of the Lost Worlds. Google shows this.

7. In 2020 I assisted Joe Biden in winning the White House. Biden was/is pompous to even acknowledge my work. At least Trump wrote me from the White House. Even after I told him he would not win the election; That is where his so called election fraud lie came from. Note one of my short films on YouTube. <https://www.youtube.com/watch?v=YOWvZjK7ovo&t=17s>
8. You can read about it here. <https://carystudios.com/joe-bidens-miraculous-super-tuesday-defeat-of-the-bern-political-pundits-claimed-impossible-yet-biden-came-from-behind-how/>
9. In 2009 – 2010 I served as a Major and GS-12 in Afghanistan as part of a Special Operations Team. Yes Mamm we had dual rankings. All Command Components above me, i.e. NATO. ARMY, STATE DEPARTMENT and the rest. Ran into a problem with Military Equipment being confiscated upon reaching Afghan Proper. As the only Marine as I was told in S-6; I was asked to go down range to investigate and negotiate with I will call them “Territorial War Lords” basically the enemy via Military War Standards. I not only was able to get the confiscated equipment returned: but I was able to determine at what point and how it was being confiscated.
10. Two things happened. One very bad and deceitful. **Followed by (Exhibits 1 & 2).** From a Commanding General Pentagon Chief of Staff. Very truthful. Well, all is in your and the Governors Hands. If you both are as I believe you are; great progress will come.

If not; being wrong is not the worse thing in life. Being Donald Trump, damn near is. A potential motto.

I am so late. But I am pleased to meet you both.

Oh, one of the Governor's problem is he needs Focused Federal Knowledge. He is running his White House Campaign not on a Global Level, but as a local politician.

I am Sincerely;

CJL Cary
